

Happy 10th Anniversary Jarvis Court

We are pleased to celebrate the 10th Anniversary of Jarvis Court, our very sheltered housing complex in Fraserburgh. We are having an open day and would be delighted for you to attend.

We, at Jarvis look forward to meeting you throughout the day and discussing your views on the services provided here. We welcome any comments or suggestions you may have.

An exciting programme of events has been organised and we are sure there will be something of interest for everyone.

AHP worked very closely with Aberdeenshire Council back at the turn of the century to create something we could all be proud of and there's no doubt that the hard work and not a little money has paid off. Of course much of the continuing success is down to the efforts of the team working here daily – but above that is the involvement of our tenants and the service users that enjoy the facilities on offer here throughout the week.
